

This checklist should be seen as an aid to ensure you are providing the Dental Council with a complete application for registration. It is advisable that you read this checklist in its entirety before compiling your application as omitted information can lead to a delay in processing or may lead to your application being returned to you.

The Dental Council reserve the right to seek further information if required.

1. Application form

The application should be signed and dated at the time of submission and completed in English.

Section 1, 2, 3, 6, 7, 8 and 9 of the application form must be completed.

If your temporary registration posts are consecutive, you do not need to complete sections 4 and 5.

Applications must be submitted no less than two months before your new post is due to start.

The dates noted in section 6 on your application form must not exceed one year unless you are taking part in a full time post graduate programme.

2. Identification

Please provide a clear photocopy of your passport. Your photograph and signature must be visible. If you are a citizen/national of more than one country, please provide a photocopy of each passport.

3. Letters/certificates of good standing or current professional status

Original letters of good standing must be submitted from all the Competent Authorities that you have listed in the "Registration history" section of your application form. Photocopies are not acceptable. All letters of good standing expire after 3 months and must be in date at the time of submission.

4. Translations

If any of the documentation listed in point 3 above are in a language, other than English, you must have them translated and duly notarised. Both the original requested document and its original translation should be forwarded.

Notarised translations are an exact translation of the source material. A photocopy of the document that has been translated must be attached to the official translation by the translator. The translator must stamp or affix a seal to each of the pages to clearly indicate that they have been bound by the translator. They must certify that the photocopied document attached to the translation is an exact copy of the document used to make his/her translation.

The document must always include a clause from the translator and their information.

Notarised translations must be intact upon submission or they will be returned to you.

5. Registration fee

The fee can be paid via the online payment system on our website www.dentalcouncil.ie. Please see "payments and online fees" under the registration menu on our homepage or the "pay now" button on any of the registration pages of our website. Please ensure that you choose the correct payment under "Application fees". Select "Temporary Registration Application Fee" to avoid unnecessary refunds. Please print a copy of your receipt to attach to your application.

We will also accept a personal cheque, attached to your application, as an alternative method of payment.

Each application for extension of temporary registration must be accompanied by the temporary registration fee, regardless of the length of the post.
