

This checklist should be seen as an aid to ensure you are providing the Dental Council with a complete application for registration. It is advisable that you read this checklist in its entirety before compiling your application as omitted information can lead to a delay in processing or may lead to your application being returned to you.

The Dental Council reserve the right to seek further information if required.

1. Application form

The application should be signed and dated at the time of submission and completed in English.

All sections (excluding section 8) of the application form must be completed.

If you are submitting work or registration history separately from your application form, please be sure to read the content guidelines in the relevant section of the application form. Each must be signed and dated before submission.

The dates noted in section 6 of your application form must not exceed one year unless you are enrolled in a Dental Council approved post graduate programme.

You may apply for an extension to your temporary registration. Please see “Extension of Temporary Registration Checklist” for further details.

Photocopies are not acceptable. All letters of good standing expire after 3 months and must be in date at the time of submission.

5. Language proficiency

From the 1 November 2018 all applicants are required to prove their proficiency in the English language as part of the registration requirements. The Council have set standards that you must meet and they have approved several ways in which you can meet these standards and prove your proficiency. We have dedicated a webpage to all the information you will need to compile the evidence required for submission with your application.

Please read the information available thoroughly; <http://www.dentalcouncil.ie/Language%20proficiency.php>

The translator must stamp or affix a seal to each of the pages to clearly indicate that they have been bound by the translator. They must certify that the photocopied document attached to the translation is an exact copy of the document used to make his/her translation.
