

## Covid-19/Section 69 Registration Application Checklist

This checklist should be seen as an aid to ensure you are providing the Dental Council with a complete application for registration under the amended provisions of Section 69 of the Dentist Act 1985.

Only those who were previously registered with this Council and who voluntarily suspended their name from the Register are entitled to apply for this specific Covid-19 registration.

Once registered please make note if you are entitled to practice. You may be entitled to register but may be prohibited from practising your profession in the State. This information will be on your Covid-19/Section 69 Certificate of Registration.

### 1. Application form

Your application form must be completed in English and in its entirety.

If you are submitting work or registration history separately from your application form, please be sure to read the content guidelines in the relevant section of the application form.

### 2. Identification

Please provide a clear copy of your passport. Your photograph and signature must be visible.

### 3. Declaration of good standing

Your self-declaration of professional good standing is part of the application form. The Dental Council will verify your good standing by contacting the appropriate authorities where necessary. Please be aware that the Council have the right to immediately remove your name from the Register if confirmation is received that you are not in professional good standing.
